✨ Audio   ✨ Image

In the heart of a sunlit sea, a lone sailor stood on his trusty wooden boat, eyes ==twinkling beneath the brim of his worn hat==. With a red flag fluttering above, he embarked on a journey to discover the legendary isle rumored to be hidden beyond the golden waves. As clouds danced in the sky, ==a fish leapt joyfully beside the boat, glistening under the radiant sun. The sailor== felt the pull of adventure, knowing that destiny awaited just beyond the next sunrise.
